

Lieut. Col. Porter Resigns.
Lieut. Col. A. D. Porter, Twelfth Infantry N. G. N. Y., has resigned, with a request to be put on the National Guard reserve list. He is a Spanish War veteran and has been an officer in the Twelfth since 1908. He is retiring on account of the demands of business.

"SLIGHT DISTURBANCE" WAS BOMB EXPLOSION

But Tenants Refuse to Be Annoyed by Little Thing Like That.

Mrs. Catherine Cahill, Janitress at No. 697 First Avenue, stopped Policeman Kirk at 6:30 A. M. to-day and mentioned the fact there had been a "slight disturbance" in the house about midnight. The policeman found that the "slight disturbance" was a bomb explosion that had torn away several steps on the first floor stairway, broken glass in the hall and blown down a quantity of plaster.

The explosion had aroused everyone in the house, but so many bombs have been set off in the neighborhood the tenants went back to bed when they saw it was nothing serious. The police explored the house and then slept, so she decided a report to the police could wait until morning. Everybody interviewed by the police insisted the bomb planter must have got in the wrong hallway.

FIRE IN CHATEAU FRONTENAC.

\$25,000 Damage to Quebec's Big Hotel—Guests Are Unharmed.

QUEBEC, Que., May 16.—The Chateau Frontenac was threatened with destruction by fire during the night. Flames were discovered in the big hotel late last night under the roof of the kitchen, when the servants, porters and firemen fought the blaze until 7 o'clock this morning. They succeeded in preventing it from spreading to the guests' apartments. The total loss is estimated at nearly \$25,000.

CENTRAL LOSES TEST CASE.

It Costs Railroad \$87 to Confiscate Girl's Ticket.

(Special to The Evening World.)
WHITE PLAINS, N. Y., May 16.—Hugh N. Thornton, representing Lena Sabers of Tarrytown, to-day entered a judgment in the Westchester County Clerk's office for \$87 against the New York Central Railroad Company, which is the sum it has cost the corporation to confiscate Lena's commutation ticket.

In April of last year conductors

were instructed to conduct a crusade against ticket scalpers and to take up communication tickets which, it was alleged, were being leased out. Lena's ticket was taken up, although she paid for it in her own name and that she had paid for it. She sued before Judge Morehouse and recovered a verdict for \$12.49.

The company appealed to the County Court and was beaten, and then the Appellate Division affirmed the lower judgment. Now it is said the company may carry the fight to the Court of Appeals as a test case.
